

2016 CAMPAIGN FINANCE - QUICK DATES

Candidate Committees registered on the state and local level file Pre and Post-Election Campaign Statements for elections that the candidate participates in. If the candidate does not participate in an election during the calendar year, the committee must file July and October Quarterly Campaign Statements. State level Candidate Committees must also file Annual Campaign Statements.

Ballot Question Committees registered at the state and local level file Quarterly Campaign Statements in February, April, July and October. *October Quarterly Campaign Statements are not owed in even years*. If the committee makes an expenditure for an election, the committee must file Pre and Post-Election Campaign Statements relating to that election. In this case, the corresponding Quarterly is waived. State level Ballot Question Committees must also file Annual Campaign Statements and Petition Proposal Statements.

PACs (including Super PACs and Caucus Committees) registered on the state level file Quarterly Campaign Statements in January, April, July and October. PACs registered with a local county clerk file Pre and/or Post-Election Campaign Statements relating to the election for which they make expenditures.

Political Party Committees registered on the state level file Pre and/or Post-Election Campaign Statements relating to the election for which they make expenditures and Annual Campaign Statements.

Committees that qualify for and maintain the \$1,000.00 **Reporting Waiver** are not required to file Campaign Statements. The Reporting Waiver does not waive the 48 Hour/Late Contribution Reports (LCR), other immediate disclosure reports or Petition Proposal Statements. All committees are required to file LCRs; see Appendix G of the committee manual for more information.
